

CSE 326

UNIVERSITY MANAGEMENT SYSTEM

Shubham Singh
(12219532)

Sonu Yadav
(12221241)

As part of the project we made a clone of the University Management System for LPU. We started with the basic structure of the webpage. We used `` tag to insert the logo of the university management system and `<button>` tag for the button in the header part of the webpage.

```

12 <!-- Header -->
13 <div class="header">
14     <div class="university_logo">
15         <!-- university ka logo -->
16         
17     </div>
18     <div class="dropdown_links">
19         <button class="dropdown_links_header">Academics</button>
20         <button class="dropdown_links_header">Administrative</button>
21         <button class="dropdown_links_header">Important links</button>
22         <button class="dropdown_links_header">Student Services</button>
23         <button class="dropdown_links_header">Quick Links</button>
24     </div>
25     <div class="student_info_and_photo">
26         <div class="student_information">
27             <p><b>Shubham Singh</b></p>
28             <p>Reg. No.:12219532|Section:K0C25</p>
29             <p>B.Tech.(Computer Science & Engineering)(P132)</p>
30         </div>
31         <!-- student ka photo -->
32         <div class="student_image">
33             
34             <button class="sign-out">Sign Out</button>
35         </div>
36     </div>

```

We used various division tags to align items and give separate styling to them. We may add more dropdown menu's in the button tags in future.

```

39 <hr>
40 <div class="important_links_block">
41     <button class="ImportantLinks">Hostel Booking</button>
42     <button class="ImportantLinks">RMS</button>
43     <button class="ImportantLinks">Fee Dashboard</button>
44     <button class="ImportantLinks">Academic Calander</button>
45     <button class="ImportantLinks">Emergency Numbers</button>
46     <button class="ImportantLinks">Certificate Request</button>
47     <button class="ImportantLinks_whatsapp">Whatsapp</button>
48 </div>
49 <div class="promotions">
50     <div class="image">
51         
52     </div>
53     <div class="happenings">
54         <ul>
55             <li>Teams all set for Effi-Cycle</li>
56             <li>Curtin University Australia;Mittal School of Business collaborated to organise the global conference</li>
57             <li>Verito selected for geology field training expedition</li>
58         </ul>
59     </div>
60 </div>

```

Styles:

```
1  .header{
2    display: flex;
3    justify-content: space-between;
4    align-items: center;
5  }
6  .dropdown_links_header{
7    background-color: #ffffff;
8    color: rgb(197, 192, 192);
9    padding: 16px;
10   font-size: 16px;
11   border: none;
12 }
13 .student_information{
14   color: grey;
15 }
16 .student_info_and_photo{
17   display: flex;
18   flex-direction: row;
19 }
20 .sign-out{
21   background-color: coral;
22   color: rgb(9, 8, 8);
23   padding: 5px;
24   font-size: 16px;
25   border: none;
26 }
27 h1{
28   padding-left: 105px;
29 }
30 .important_links_block{
31   display: flex;
32   justify-content: center;
33 }
34 .ImportantLinks{
35   background-color: #1f4582;
36   color: rgb(239, 236, 236);
37   padding: 15px;
38   font-size: 15px;
39   border: none;
40 }
41 .ImportantLinks_whatsapp{
42   background-color: rgb(32, 102, 35);
43   color: #ffffff;
44   padding: 15px;
45   font-size: 15px;
46   border: none;
47 }
48 .promotions{
49   display: flex;
